Professional Summary

Software Engineering undergraduate at Daffodil International University with a strong interest in Artificial Intelligence, Machine Learning, and software development. Skilled in Python, C, C++, and JavaScript, with experience building programming projects and web applications using HTML, CSS, JavaScript, and Firebase. Familiar with Git, GitHub, Linux, and collaborative technical activities. Interested in applying programming and problem-solving skills to real-world software development projects.

Technical Skills

Programming Languages: Python, C, C++, JavaScript
Web Technologies: HTML, CSS, JavaScript
Tools and Platforms: Git, GitHub, VS Code, Linux, Firebase, VPS, XAMPP, GitHub Pages
Software: Adobe Premiere Pro, Adobe Photoshop, Adobe After Effects, Adobe Illustrator, Adobe InDesign, Microsoft Word, Excel, PowerPoint, Access
Professional Skills: Problem Solving, Communication, Team Collaboration, Time Management, Adaptability

Projects

Tenant Management System July 2026 – Present

- Developed a responsive web application to digitalize and streamline rental property administration.
- Implemented tenant registration, monthly rent collection, and advance payment tracking modules.
- Integrated custom thermal invoice printing to generate and format payment receipts.
- **Technologies:** HTML, CSS, JavaScript, Firebase. **Tools:** VS Code, GitHub, XAMPP.
- **GitHub:** Source Code | **Live Demo:** View Project

Personal Portfolio Website

- Created a personal portfolio website using a single-file HTML structure with a dark, technology-focused design.
- Deployed the website using GitHub Pages to showcase personal information and projects.
- **Tools:** HTML, GitHub, VS Code, GitHub Pages.
- **Live Demo:** View Portfolio

Terminal-Based Tic-Tac-Toe

- Developed a console-based Tic-Tac-Toe game in C and published the source code on GitHub.
- Practiced programming fundamentals and logical problem solving through game implementation.
- **Technologies and Tools:** C, VS Code, GitHub.
- **GitHub:** Source Code

Experience

Member – DIU Data Science Club November 2025 – Present

- Participate in technical discussions and learning activities related to data science and artificial intelligence.
- Contribute to technical workshops, collaborative activities, and student engagement initiatives.
- Collaborate with peers to support technical learning and professional development.

Content Creator – YouTube March 2020 – Present

- Created and managed gaming content with more than 70 published videos.
- Produced cinematic gameplay and storyline-based gaming videos using Adobe Premiere Pro and OBS Studio.
- Managed video editing, publishing, thumbnails, metadata optimization, and audience engagement.

Food Delivery Rider – foodpanda April 2025 – August 2025

- Managed timely and accurate delivery operations in a fast-paced working environment.
- Maintained customer satisfaction through effective communication and route management.
- Demonstrated punctuality, responsibility, and adaptability while managing delivery tasks.

Education

Bachelor of Science in Software Engineering June 2024 – September 2028
Daffodil International University, Bangladesh

Higher Secondary Certificate (HSC) – Science 2020 – 2022

Bhawal Badre Alam Government College, Gazipur
GPA: 4.75 / 5.00

Secondary School Certificate (SSC) 2015 – 2020

Bangladesh Rice Research Institute (BRRI) High School
GPA: 4.89 / 5.00

Certifications

- IELTS (International English Language Testing System)
- Adobe Premiere Pro Certification

Languages

Bengali: Native
English: B2 Listening, B2 Reading, B1 Speaking, B1 Writing
